

AUTHOR'S STATEMENT

I confirm that I have reviewed and complied with the relevant Instructions to the Authors and the Authors' Responsibilities defined in the Editorial Policy of the journal *The Review of International Affairs*, ISSN 0486-6096, ISSN online 2955-9030. I am also aware of the publisher's retraction policy published on the website of this journal.

- The Article I have submitted to the journal is original, has been written by the stated authors and has not been published elsewhere.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- I have given final approval of the submitted manuscript.
- The Article and the Supplemental Materials contain no libellous or other unlawful statements and do not contain any materials that violate any personal or proprietary rights of any other person or entity.
- The authors of the Article hold no conflict of interest that may affect the integrity of the Article and the validity of the findings presented in it.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works and other copyrighted materials that are included and have credited the sources in the Article or the Supplemental Materials.
- The Article is not subject to any prior rights or licenses and, if my or any of my co-authors' institution has any policy that might restrict my ability to grant rights under this License Agreement, a written waiver of that policy has been obtained.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information.
- I understand that I retain the copyright in the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to the Journal. As the author of the Article, I understand that I shall have the same rights to reuse the Article as those allowed to third-party users of the Article under the CC BY-SA 4.0 Creative Commons licence (<https://creativecommons.org/licenses/by-sa/4.0/>).
- The publisher will apply the CC BY-SA 4.0 Creative Commons licence (<https://creativecommons.org/licenses/by-sa/4.0/>) to the Article where it publishes the Article in the journal on its online platforms on an Open Access basis.
